

## ACKNOWLEDGEMENT TO THE REVIEWERS

of the manuscripts submitted to the Editorial Board of the Journal in 2025

On behalf of the Editorial Board of the scientific journal *Economic Horizons*, and on my own behalf, I would like to express my sincere appreciation to the reviewers whose professional, impartial, and well-reasoned evaluations made a significant contribution to the assessment of manuscripts submitted to the Journal during 2025.

The manuscripts encompass research in the fields of economics, business economics, management, and related academic disciplines. Through their expertise and critical approach, the reviewers listed herein provided invaluable support to the Editorial Board in conducting the double-blind peer review process, thereby contributing to the maintenance and enhancement of the Journal's overall scholarly quality.

The editorial policy of *Economic Horizons* is firmly committed to the continuous improvement of the quality of published papers, a commitment that relies to a great extent on the expertise and dedication of its reviewers. Their well-substantiated evaluations and constructive comments constituted an important basis for editorial decisions regarding the acceptance of manuscripts for publication and their categorization. At the same time, their specific suggestions and insightful recommendations enabled authors to further improve the quality of their manuscripts, thereby making a substantial contribution to the continued development and strengthening of the Journal's academic reputation.
